### **Musicianship and Music Theory Information:**

Suzuki Books 2 and up need to enroll in the MUSIC THEORY level they test(ed) into. If they haven't taken the assessment, they need to do that. It is available online <http://www.wcmusic.org/music-theory/> and in a basket near the photocopier at the Mansion. Please submit to Krystal (kesty@wcmusic.org) for assessment and placement.

Group classes for Books 2 and up are 30 minutes long. They will take an additional 30 min. theory class which is separate from the group class. Classes have been scheduled around group times for convenience, but students are welcome to take their level at any time/location it is offered during the week. All students at WCM are mixed into these classes. Children's 30 min. classes are for ages 8-14, but younger students are welcome to enroll if they are comfortable reading, writing, and attending class with older students. Adult 45 min class is for students 15 and up.
